

Healthix Vendor Interoperability Program (VIP)

Elevate your market presence to over 1,400 New York healthcare organizations by becoming a Healthix VIP Member

Overview

The Healthix Vendor Interoperability Program (VIP) supports vendors seeking to simplify interoperability with healthcare providers. As a VIP organization, you have the ability to enhance your organization's presence to over 1,400 healthcare organizations in the New York market and securely connect to Healthix data.

Healthix VIP Organizations have access to all Healthix technical specifications and industry leading interoperability models to help support product development and expansion.

As the largest public health information exchange (HIE) in the nation, Healthix facilitates the coordination of care and secure exchange of patient information to improve clinical outcomes, promote efficiency and reduce healthcare costs. Healthix shares data of over 20 million individuals, connecting over 8,000 facilities across New York City and Long Island.

As a VIP Organization you'll have the ability to exchange Healthix data and services through a single solution

Key Benefits of Being a VIP

- Integrate with Healthix, the largest public HIE in the nation and the recognized leader in the New York market
- Eliminate the expense and need to build and maintain costly aggregation platforms

Healthix is HITRUST CSF Certified. Our platforms - InterSystems HealthShare, Health Insight, HBI Spotlight Analytics - have all earned certification.
